

Better than a Bot: Attracting *and* *Keeping!* Good Employees

Maureen Geddes, MBA CHRP CHRL

Geddes Global

Research Says...

1. Access untapped labour pools
2. Create Employee Value Proposition (EVP)

***YOUR WORKFORCE MAKES THE DIFFERENCE BETWEEN SUCCESS AND FAILURE –
GET THE RIGHT PEOPLE WITH THE RIGHT SKILLS TO ENSURE SUCCESS***

80% OF TURNOVER IS A RESULT OF HIRING THE WRONG PERSON

Hiring workers is one of the most important business activities. When you hire motivated, committed, and qualified people, it helps your operation to achieve its goals. When you hire the wrong people, it can affect productivity, profitability, turnover, and workplace morale.
